ACTION

Holy Spirit Parish will be taking on two projects this year that focus on the needs of the domestic Church and the missionary work of the Church in foreign lands! As disciples of Jesus we are called to reach out to both our brothers and sisters who live among us and our brothers and sisters throughout the world. Will you help us? We will provide envelopes that you can return in the collection or drop off at the parish office.

YMCA/YWCA Victim Service Shelter (Dubuque location)
The mission of the shelter "is to empower and advocate for all victims of domestic violence, especially those seeking shelter.

Further, we seek to create an educated community that supports and participates in securing a person's right to a life free from violence." The shelter is in need of assistance for families who enter the shelter. You may a) contribute an item or b) make a monetary donation.

Products which the shelter can use include the following: laundry soap, dish soap, body wash, hand soap, shampoo, conditioner, deodorant, any feminine hygiene products, hair brushes & combs, lotion, toothpaste & toothbrushes, diapers, paper towels, disinfectant wipes and trash bags. Place the items in the tote which will be in the gathering space of church.

PIME (Pontifical Institute for Foreign Missions)

"The PIME Missionaries are Catholic priests and brothers who commit themselves to lifelong missionary service, especially to non-Christians. PIME's priority is the proclamation of the Gospel. We strive to be creative in our presence and witness as we engage in the promotion of dialogue among people of all religions and cultures. We are actively involved in human development and the promotion of justice and peace." Their ministries include the foundation of schools, hospitals, clinics, orphanages and new Catholic communities. They also have sponsorship programs for children and seminarians. (Fr. Dwayne has sponsored children with PIME for about 30 years.)
