

**To be read and signed by youth and parents or guardian:**

Everyone who attends both in person and online confirmation faith day and youth ministry gatherings are encouraged to participate actively and to behave appropriately so that all will have the chance to safely enjoy being a part of the ministry. It is best if we all know what is expected of each teen while being here at Our Lady of Lourdes.

*Embracing God's People · Equipping Disciples · Accompanying Believers*

**Respect for property** - Property of Our Lady of Lourdes and surrounding areas should not be damaged, marked or vandalized in any way. Personal property should not be damaged or borrowed without permission.

**Respect for the law** - There will be no non-prescription drugs or alcohol consumed or in any student's possession. If there is reason to believe that teen has done either, a parent will be called immediately. There will be no physical abuse of others or inappropriate language. Fighting of any kind will not be permitted.

**Participation** - We expect that all participants will take advantage of the opportunities of the day and participate fully in the activities. We also expect that all participants cooperate with the directions of the adult chaperones/leaders to promote a safe and enjoyable day. In the event that confirmation/ youth ministry gatherings are moved to online, teens are expected to participate the same as they would if we were in person.

Please remember that you are representing your parish and school; you are encouraged to take this responsibility seriously.

If these guidelines are not adhered to, appropriate action will be taken. One possible action will be that the student(s) involved will have his/her parents or guardian called and will make arrangements for transportation home as soon as possible. In addition, there may be further consequences (for example: destruction of property would require repayment of damages)

**I have read and understand these guidelines.**
