

Tuesday Morning Family Prayer Group 7 am in the Moran Center Breakfast included. Children must come with an adult.

LENT 2024

This year for Lent, Tuesday Morning Family Prayer Group will be crocheting granny squares for Warm Up America. Warm Up America was founded in 1991. It is committed to coordinating volunteers to knit and crochet blankets for people in need. We will be looking to donate the blankets we make to children in need.

We will be crocheting on Tuesday mornings:February 20March 5February 27March 12March 19 will be Family Lenten EVENING of prayer.

Yarn and hooks will be provided, however, you are welcome to bring your own. Crochet hooks size H or I are best.

A medium weight, machine washable and dryable acrylic yarn is the ideal yarn to use for WUA blankets and accessories so completed items are easy to clean.

EVERYONE is welcome!

We will be teaching you to crochet if you don't know how!

For younger students we will be providing Looms and loops for making potholder squares. If you have a loom, feel free to bring it.
