

The Called & Gifted Workshop

Discovering God's Call for Your Life and for the World

God is calling you to a unique purpose in life, a work of love that only you can do. Discern your spiritual gifts and discern your call! Wondering about your vocation? Come and begin to reveal it to yourself. You have received gifts, through Baptism and Confirmation, for the ways God intends his love to reach others through you. Come and discover those gifts and identify your authentic self, the person of fulfillment who God wants you to be.

The Called & Gifted Workshop is a live presentation, which includes Church teaching on the laity and lay apostleship, the nature of spiritual gifts and God's call in your life and how to undertake the process of discernment.

The Workshop is Useful for:

- Anyone who wants to explore the mystery of how God is at work in them.
- Parents who want to help their children live their faith and recognize their gifts.
- People in transition: changing jobs, empty nesters, returning to the workplace, facing retirement.
- New or returning Catholics who want to explore what it means to live their faith as an adult.
