

Who Needs To Attend?

Ideally Everyone! It is the hope that all adults will take the time to inform themselves and commit to working together to protect those entrusted to our care. However, it is **REQUIRED** that all adults (18+) working with minors attend an awareness session. This includes ushers, coaches, afterschool care givers, teachers, ministers, etc. All new parents to Our Lady of Lourdes School must attend a session as well.

Which Session Is Right For Me?

Protecting God's Children: *This session is a 3 hour session for people who have either not attended a session before, or have let their certification lapse.*

Keeping the Promise Alive: *This session can only be attended by people seeking re-certification. This course is an 1 ½ hours long.*

Your certification is good for 4 years, providing that you keep up with the monthly online bulletins sent to your e-mail.

What Do I Do With My Certificate?

Once you have been certified, you will want to make a copy of your certificate for yourself, and give the original to whatever parish, school, or organization has asked you to participate in the session. If you are a parishioner attending the session for your own personal development, a copy of your certificate should be given to the parish office of your home parish.
