Deepening your relationship with God

Level II Catechist Formation

In Catechesis of the Good Shepherd adults are given the opportunity to embrace a method of catechesis (or religious education) that will deepen one's relationship with God. Catechist formation in Catechesis of the Good Shepherd is both instructive as well as experiential. It captivates both the head as well as the heart. It has a holistic approach for the adult, enriching the adult in a background of scripture and liturgy, theology and prayer, as well as the pedagogy of the young child, helping the adult to see what face of God the young child most needs in order to enter into a relationship with God. Therefore, Catechesis of the Good Shepherd requires the adult to receive training in the method in a way that is "retreat-like," giving time and space to absorb the richness of what it means to live one's baptismal covenant and grow in the love and knowledge of God.

Level II catechist formation is for adults seeking to serve children who are six to nine years old (or first through third grade). This training is at least 96 hours and continues the themes first introduced in Level I catechist formation. It expands upon those themes according to the developmental needs and capacities of this age child. New themes are also introduced at this level especially around the History of the Kingdom of God, Moral Parables, and the sacrament of Holy Eucharist. Sacramental preparation is also a key component of this catechist formation.
