

Homeowner Profile

Tesh Tesfay

**2400 Rebecca Ave.
Charlotte, NC 28208**

St Peter Catholic Church is a member of Charlotte Church Partners.

This is our 22nd year working with Habitat and our 32nd home and family!

Tesh is originally from Ethiopia but has been in the Charlotte region for a little over 7 years. In her free time, she enjoys watching Manchester United, going to church and visiting with family and friends. She first heard about Habitat through a friend and after doing her own research she walked into the office to learn more. Tesh was so excited when she learned she was accepted to the program, she said she immediately called her aunt to share with her the great news! She says that her favorite part about the process thus far has been the classes. She likes that they teach practical, applicable concepts that will help her throughout her life. Tesh is most excited about moving into her home because it will be hers, and she can finally have a garden to plant her own flowers. She feels very grateful to be involved in the homeownership process and is thankful for volunteers that are willing to donate their time and energy to this process!

Due to the pandemic, no volunteers will be allowed on site during construction this year, but parish members can participate by offering prayers, notes of encouragement, or scheduling a drop off of snacks, water and Gatorade. Please contact Katie Hanchuruck at this email <khanchuruck@habitatcharlotte.org> at Habitat for Humanity of the Charlotte Region to first schedule any of these drop offs!
