

*Thank You* for giving your time, assistance and joyful smiles to our Angel Tree gift collection at St. Peter. We can continue this ministry because of you!

Please be at your designated location at least 20 minutes BEFORE MASS to have the collection cart ready.

Outside Church Collection:

1. Retrieve the large black rolling cart behind the Biss Hall steps wall.
2. Be in front of the church **20 minutes before Mass** – collect gifts in the cart.
3. If the Ignatius House gate is not open, **ask one of the priests or deacons to open the gate and the front door.**

Place all gifts in the middle room labeled “BRIDAL ROOM” and close the door when finished.

4. Please check the narthex to collect and store any gifts that were left there.
