

Support Kino Border Initiative

For the third year, a group from St. Peter will visit the Kino Border Initiative (KBI) in Nogales, Arizona and Mexico from April 8 – 12, 2019 to provide direct humanitarian aid and experience the conditions of those crossing the US-Mexico border. KBI is a faith-based organization that is administered by the Jesuits. Responding to the needs and God-given dignity of migrants and deportees, KBI fosters education, assistance and advocacy. St. Peter has financially contributed to KBI through our annual mission appeal and tithing grants.

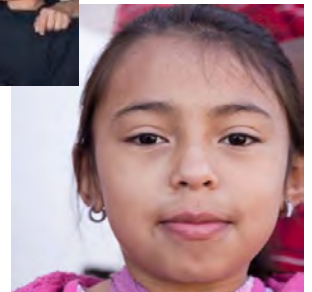

We are thankful that this year’s mission trip is full but there is still a dire need for St Peter members to support their mission. For those of you not going on the trip, the KBI team requests that you please order any of the items on the KBI Wish List below by shopping directly from your Amazon account (or create an account by going to www.Amazon.com).

Once you place your order, be sure to insert this **Amazon “Ship To” Address**

**Kino Border Initiative
81 N. Terrace Ave
Nogales AZ 85621**
