Dear Musicians,

A few reminders for everyone in regards to the music during Lent:

1. Instruments are only to accompany singing during the season of Lent:
  - a. No prelude/postlude music
  - b. No interludes/filler music - once the verses of a song are done, there is to be silence.
  - c. When cantor is moving to the Ambo, do not play “walking music.” Wait long enough to start so that you just play it once through before the cantor begins singing.
2. The Mass Parts are to be sung a cappella. The accompanist can provide the starting pitch if the cantor would like one. However, for the “Amen” the cantor should get their cue from the priest, *not* a pitch from the piano. If the priest doesn’t sing the Doxology, then the Amen is spoken.
3. Be sure to keep the Mass Parts at a quicker tempo. They tend to drag, and Monsignor does *not* like it when they drag and become a dirge.
4. The closing hymn is to be sung a cappella. The accompanist can provide the starting pitch or the melody of the first line, whichever the cantor prefers. Try to prevent this from dragging as well.

If you have any questions, please don’t hesitate to contact me. Thank you for working hard to make our music ministry a positive addition to the liturgy.

Kristen
