News ALERT

Protect Reproductive Options (PRO) Act [H.F. 1] passes Minnesota House Committee
This is an extreme abortion bill.

The Minnesota Catholic Conference states the following:

Abortion advocates have won a narrow majority in the Minnesota legislature. Now some state lawmakers want to pass bills that would:

- Create a new law (or constitutional amendment) allowing the abortion of any unborn baby, for any reason and done any time until birth;
- Establish that Minnesota law gives parents no right at all to know if their minor daughter is undergoing an abortion, even though parental consent is required for all other medical procedures;
- Establish in law a requirement that even those with deeply held pro-life convictions must pay for the killing of the unborn with their tax dollars

Only 7 countries in the world have an abortion law so extreme, among them China and North Korea.

What can you do? Reach out to your legislators before the end of January 2023. You can find your representatives and their contact info at this link:

<https://www.leg.mn.gov/leg/legdir>

According to MCCL Co-Executive Director Cathy Blaeser. "This bill means a 'right' to abort any baby for any reason at any time until birth. Women and children deserve so much better."

Bloodmobile - Make a resolution to be a lifesaver for someone in need of your precious blood. The American Red Cross will be in Eden Valley on **Tuesday, January 24th from 1-7pm at Assumption Catholic Church in Eden Valley (464 State Str N)**. To make an appointment call 1-800-733-2767, visit redcrossblood.org, click on your Blood Donor App or contacting Bonnie at 320-282-1468 or mbmeyer@meltel.net
