***A Note from Fr. Jeff Horejsi ....***

We are excited about beginning a regular Youth Ministry program this Sunday, January 23rd. Please see this bulletin for more details.

National Catholic Schools Week is the week of January 30 through February 5. In conjunction with that significant event, Msgr. Douglas Grams announced that a second collection be taken up at all Masses in the diocese to benefit Catholic Schools in the Diocese of New Ulm next weekend.

In those Area Faith Communities that have Catholic schools, 75 percent of the proceeds will go directly to that Catholic school. The other 25 percent will be deposited equally in two endowment funds already set up to benefit Catholic schools. Please be generous in supporting this collection.

We will be streaming Mass live on our website using Facebook Live every Saturday at 4:00 pm Our Lady, Sunday at 8:00 am at St. Philip, Sunday 10:00 am at St. John. You can follow us at <https://www.facebook.com/pg/Shepherd-Of-Souls-AFC-109977054166477/videos/>. The video will remain on our website after the mass is over.

Again, I want to thank you for your continued financial gifts to your parish. Any donations can be mailed or made online at <https://www.shepherdofsouls.org/donate>. Please specify the name of the parish or fund you are donating to in the comments area.

Have you gotten your Catholic United Financial raffle tickets yet? They are available from any family member, at the school office and also at the church office. They will be on sale until February 27th. It is your chance to help out our school as every dollar of every ticket goes directly to the school. Our goal is to raise \$10,000.

If you are driving downtown and get a chance, take a look at the window of KFLD. We were asked if we could make snowflakes to decorate their front window. Mrs. McGraw's 4/5 class quickly said yes and made some beautiful snowflakes.

This past week, we had teacher in-service. We took a closer look at our science materials. They need to be updated. We looked at our current materials and also at what is available. And that was just the morning! In the afternoon we updated our curriculum guides to reflect how we had met our first semester outcomes. It was a full day of hard work that needed to be done.

This past week we began our second set of NWEA tests. We conduct these three times a year. Every student is assessed in both reading and math. The tests help us determine if each individual student is making progress. We use the data to help determine if any student needs additional support.

I am excited to be able to speak at each of the AFC Masses next weekend as we kick off Catholic Schools Week. It is a week dedicated to highlighting the benefits of a Catholic education. I have invited some children to join me as we kick off one of the most special weeks of our year. I will be on the radio with 2 of the students.

This week we are highlighting three of our business donors from Watkins. We are thankful for the support of the Citizens Bank, West Central Pumping Inc. and Geislinger and Sons. These fine businesses helped us not only reach but exceed our goal of our Small Steps Big Intentions Marathon!
