

Funeral Planning/ Bereavement Ministry

Members of this ministry meet with individuals/families at the time of the death of a family member. We facilitate the planning of the Funeral Liturgy, including the selection of readings and music, and assist with church logistics. We also assist with coordination of Visitations that are held at the church and the Funeral Liturgy.

The ideal candidate for this ministry will have a compassionate spirit, the ability to communicate well and attend to details. Training is provided.

Ministers are scheduled in pairs to serve for a month at a time. Currently, each minister serves three months in a year. With an increase of ministers, the frequency of service will decrease.
