After 19 years of marriage, we loved each other, but had forgotten that we were in love with each other. Our Retrouvaille Weekend Retreat allowed us to put past hurts, recurring arguments, and misunderstandings in the past. We rediscovered that we were each other's best friend.

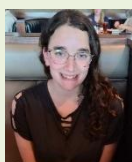

We listened to engaging talks from married couples, just like us, that had navigated the path of reconnecting a disconnected marriage. Then, we privately shared guided exercises that allowed us to practically apply the concepts we had learned. We brought home powerful communication tools and meaningful memories, that will help us to stay connected for years to come!
