## *Wedding Guidelines*

We rejoice with you on your upcoming wedding and we pray that God's blessings will be with you as you make this important commitment. As Catholic Christians, we believe marriage is a holy and communal celebration as well as a reflection of who we are and what we believe as a community. Since the *Saint Albert the Great Parish* Center belongs to all the parishioners, we ask that the following guidelines are followed which will protect both the dignity of the sacrament, as well as the investment made by all parishioners.

To help answer the many questions couples have we offer the following guidelines:

### *General Guidelines*

#### *Diocesan Requirements*

In keeping with the Diocesan policy, all weddings must be scheduled at least **four months in advance**.

Each couple must go through a period of instructions with the parish priest **AND** complete an approved marriage preparation program as found on the Diocese of Knoxville Marriage preparation and enrichment webpage (<https://dioknox.org/marriage>). If you would like a paper copy of these options you may stop by the SAtG office during office hours and pick one up. NOTE: If a couple is completing their marriage preparation in another Diocese, we must have written verification that all requirements for the Diocese in which the preparation is done have been fulfilled.

The Pre-Nuptial Investigation Form, which is required to be filled out by all Catholics wishing to be sacramentally married, should be filled-out by the priest presiding at your wedding.

Baptized non Catholics must supply a copy of their Baptismal Certificates.

Baptized Catholics must notify the church where they were baptized to send a recent copy (issued in the last 6 months) of their Baptismal Certificate.

If either the bride or groom has not been baptized, the priest will help apply for a dispensation.

**If either the bride or groom has been previously married (in any church or civil ceremony), then a Catholic Church annulment of the previous marriage or a death certificate of former spouse must be obtained before wedding plans can proceed.**

In order for a priest to participate in a wedding taking place at a non-Catholic church, a dispensation must be obtained. The priest celebrating the wedding ceremony will provide you with the proper forms.

The Catholic Church does not normally allow outdoor weddings. Permission for an outdoor wedding may be granted only by the Bishop.

Weddings during Lent are discouraged.

The pastor of *Saint Albert the Great Parish* must approve all wedding plans to be sure that they keep within the spirit of the church's instructions on wedding ceremonies. If you have a question about anything not covered in these guidelines, please contact the office before making your final decision

## **Saint Albert the Great Parish Requirements**

Wedding times may not conflict with regularly scheduled parish masses. On Saturdays, weddings may be scheduled between the hours of 10:00am to 2:00pm (2:30pm if the wedding does not include a Mass) or after 7:00pm. Friday evening weddings are allowed and may be scheduled at any time.

Ministers for other denominations are welcome to assist in wedding ceremonies at *Saint Albert the Great Parish*. Please notify the priest or deacon if you will be bringing a guest minister. The priest or Deacon is always the main celebrant at weddings celebrated at *Saint Albert the Great Parish*.

Flower girls and ring bearers are welcomed, but if not at least five years old, they should sit with parents in pews after the procession, and not in the sanctuary with the remainder of the bridal party.

Readers chosen to do the readings at weddings should be picked because of the ability to speak publicly.

Couples must supply their own marriage license.

For insurance and safety reasons, no rice or bird seed may be thrown or handed out on the premises.

Sanctuary furnishings may not be moved in the Parish Center without specific permission of the *Saint Albert the Great Pastor*.

No alcoholic beverages are allowed in the Parish Center at any time.

Changing rooms for both men and women will be provided. Please leave the rooms in the same order and cleanliness as you found them.

Couples wishing to use additional greenery, candles, candle drapes, etc. that are owned by *Saint Albert the Great* should contact Kathy Walker (406-3411). Kathy can let you know what is available for your wedding. Fees for this service are based on the amount of time involved.

Couples can make a voluntary gift to the parish to cover the cost of utilities and cleaning.

Any gift to the celebrant is voluntary.

## **Parish Center Rental Fees**

Rental Fee: One of the following 3 options applies:

- 1) There is **no fee** for the use of the Parish Center by registered (at least one-year) and active (involved in the parish by sharing gifts of time, talent and treasure AND weekly attendance at Sunday Mass) parishioners.
- 2) There is a fee of **\$100.00** for registered (at least one-year) but inactive parishioners (no record of the sharing of the family's time, talents and treasure OR lack of weekly attendance at Sunday Mass) for the use of the Parish Center.
- 3) There is a fee of **\$250.00** for Catholics from other parishes for the use of the Parish Center.

*These fees must be paid at the time the church is reserved.*

Please note that *Saint Albert the Great Parish* does not have a janitor or cleaning service. The Church is maintained and cleaned by parish volunteers. All wedding parties are asked to leave the Parish Center, all church furnishings and parish grounds in the same cleanliness and order in which they were found. Your cooperation would be greatly appreciated!

## *Use of Parish Hall*

*Saint Albert the Great Parish* has a small hall in the basement of the house which can provide sitting at tables for between 120-150 people. There is also an outdoor picnic pavilion and covered grilling area. To reserve these areas, please fill out the form at the end of this packet.

## *Music at the Wedding*

All couples are responsible for meeting with our music director, Maria Armento (689-7011). Exact fees for musical accompanists, cantors and instrumentalists can be obtained from Maria. For planning purposes, you can expect fees for an accompanist to begin at \$200, cantor at \$100 and instrumentalist at \$50. **There is a fee for our services to work with musicians from outside the parish and operate our sound system for them.** These fees should all be paid to the individuals providing the service.

For the protection of our investment in musical and sound equipment, all outside musical accompanists must be approved by Maria. All musicians must play/sing from the designated music area.

Normally *Saint Albert the Great* allows only live music at weddings.

Only approved church music may be used during the wedding ceremony (after the bride has entered the church). Approved secular music may be sung before the wedding begins.

## *Florists*

**The following guidelines should be shared with your florist:**

For day time weddings, the florists will be allowed to decorate the church any time that day in advance as long as there are no other scheduled sacramental celebrations. For Saturday evening weddings, no decorations (except altar flowers) can be set up in the church until after the 5:00pm Mass.

No sanctuary furnishings may be moved.

No floral arrangements can be placed on or in front of any sanctuary furnishings (i.e. altar, ambo, etc.) You are welcome to use flower stands owned by the church. Please make arrangements to use these stands before the day of the wedding.

Depending on the church's liturgical season, there may be limitations on decorations allowed (i.e. Advent, Lent, Easter, etc.) If you are unsure, please check with one of the *Saint Albert the Great* priests.

Candles, flowers, plants or other decorations which are not being donated to the church must be removed before the next regularly scheduled Mass.

It is the responsibility of the florist to clean up any fallen leaves, petals, etc. Vacuum cleaners are available at the Parish Center for this purpose.

Only drip-less candles can be used.

Nothing may be "nailed" or otherwise attached into any *Saint Albert the Great* walls or furnishings

Decorations may not be attached to chairs in any way that may remove the chair finish.

## **Wedding Consultants / Directors**

The priest/deacon celebrating the wedding will direct **all aspects** of the wedding and rehearsal from the point where the wedding party enters the Parish Center (i.e. through the glass doors).

Couples may choose to hire someone to “line them up” and help them get ready, recommend the order of procession and help with other details. This is up to the couple.

## **Photographers**

**The following guidelines should be shared with your photographer:**

Photographers are not allowed in the sanctuary at any time during the wedding ceremony.

No flash photography may be taken during the wedding ceremony but is allowed during the procession in and out of the Parish Center.

Once the ceremony has begun, photographers should avoid moving around.

All photography sessions must end at least forty-five minutes before the next scheduled parish Mass.

Photographers may not move parish furnishings.

Photographers may not stand on any church furnishings.

## **Video**

**The following guidelines should be shared with your videographer:**

Please check with the priest to approve all locations for video cameras.

An unmanned video camera may be set up in the sanctuary - check with the priest/deacon for location approval.

All manned video cameras must be stationary during the entire wedding ceremony.

## **Wedding Service Providers**

*There are many qualified providers of wedding services. It has been our experience that providers who are parish members and already familiar with our church and procedures help everything to run more smoothly. We have found that our own parishioners take much better care of “their” church when providing services. We therefore recommend you consider the parishioners listed below when making your wedding plans.*

## A. POLICY ON ALCOHOL AT DIOCESAN AND PARISH FACILITIES

The Diocese and the Bishop of Knoxville have an interest in the safety and welfare of all individuals on diocesan property. Some social events have traditionally served alcoholic beverages. Social customs and legal penalties for drunk driving have challenged past attitudes about the "necessity" and advisability of serving alcohol at family and parish celebrations. The Church opposes excessive alcohol consumption because it disrespects one's own health and the well being of others. If alcohol is served on parish property, it must be done responsibly and in moderation and in compliance with Tennessee law. This will reduce the risk of an alcohol related death or injury, and lessen the risk of damage to facilities and property.

**THE POLICY: Pastors, in consultation with parish pastoral councils, are free to determine whether alcohol may be consumed on parish property, or to limit the events at which it may be served. The pastor should know and approve of the presence and consumption of alcohol prior to an event. If alcohol is served on parish or diocesan property, Tennessee law must be observed.** The following guidelines should also serve as education and safety elements.

## B. TENNESSEE LAW

1. Alcohol shall never be served to, served by, nor consumed by an individual who is under the age of 21 years. Positive proof of age through identification shall be requested of anyone who appears younger than 26 years of age.
2. If alcohol is being sold at an event on church property, a temporary permit/license is required. The event planner should contact the Tennessee Alcoholic Beverage Commission.
3. Alcohol served at an event on parish property must remain on parish property where the event is taking place. Guests are not permitted to carry alcohol away from the event's premises.
4. No one who is intoxicated may be served alcohol. Slurred speech, staggering, stumbling behavior, or poor motor skills are clear indicators of alcohol intoxication.

## C. GUIDELINES FOR THE PROPER USE AND SERVING OF ALCOHOL IN HARMONY WITH TENNESSEE STATE LAW

1. Alcohol shall never be served, available or otherwise consumed at a youth event. This includes celebrations of the sacraments bestowed on those under the legal drinking age (including marriage), or any event associated with the parish school, a diocesan high school, or a parish youth group.
2. If alcohol will be served at a non-youth event and individuals under the age of 21 will be present, the pastor shall ensure that young adults present their driver's license for age determination and that such individuals receive and wear a bracelet (as seen below) or are marked with some other identifier (hand stamp).

3. If alcohol is served at an event where an open invitation has been issued, at least one security person per 100 guests shall be present throughout the event. "Open invitation" means that non-parishioners have been invited, and include wedding receptions. A security person is defined as a person who agrees not to drink during the event and who also accepts the responsibility to observe guests for intoxication and/or unruly behavior. The security person may be a parishioner serving on a volunteer basis or he/she may be a hired security guard.

4. Guests should not be allowed to bring their own alcohol onto parish property without the prior approval of the pastor.

5. Only one alcoholic beverage should be served to a guest at a time. The bartenders should be trained and instructed to serve no more than 1 ounce of whisky in a mixed drink, no more than 12 ounces of beer per serving, and no more than 6 ounces of wine per serving.

6. When alcohol is served at an event on parish property, it should be dispensed only by an individual or individuals who are of mature demeanor, and who are at least 21 years old. Such persons should abstain from drinking alcohol during the events.

7. Food, coffee, and non-alcoholic beverages (pop, tea, water, and juice) should be served constantly throughout an event where alcohol is served. Food should be readily available throughout the event. The bar should be closed at a reasonable period of time before the event ends.

8. If a guest appears intoxicated and has transported himself or herself to the event, the event's planner should provide, or otherwise arrange, alternative transportation for the guest. The determination of intoxication may be made through personal observation. Slurred speech, staggering, or poor motor skills coordination.

#### **D. SUGGESTIONS BY THE DIOCESE AND CATHOLIC MUTUAL GROUP**

1. Alcohol related liability could financially ruin the event's planner. Many insurance companies offer a "rider" on a homeowner's insurance policy for an event planned by the insured. It is strongly suggested that the event's planner obtain such a rider.
