"All the honors that the angels by their homages, and men by their virtues, penances, and martyrdoms, and other holy works, have ever given to God could not give him as much glory as a single Mass... in each Mass God bestows on the world a benefit not inferior to that which he conferred by his incarnation; a single Mass brings to men the same benefits and salvation that were produced by the sacrifice of the cross."

~St. Alphonsus Ligouri
