We are excited to introduce our Lenten Retreat Presenter ~ Dr. Carole Brown

Carole Brown grew up in Faith, South Dakota, where her love for Christ first began to flourish. After graduating from BHSU, she earned a Master's Degree in Theology from Franciscan University of Steubenville and later completed her PhD in Dublin, Ireland. Along the way, she served as a missionary in Austria and helped establish the world's first ecumenical Christian radio station. Upon returning to the United States, she served the Archdiocese of Oklahoma City as Director of the Office of New Evangelization. Since 2018, she has been Director of the Sioux Spiritual Center in Howes, South Dakota, where she joyfully continues her ministry of retreat leadership, prayer, and evangelization.
