### Nicaraguan News *(Update from Marie Joers)*

Ann Neumann and I have been in contact with Padre Rodolfo, Pastor of San Rafael, Waspam. He sent us a letter in January 2021 thanking St. Michael Parish and Holy Trinity Parish for donating a total of \$7,063.61 during the mission appeal in November 2020. We had decided to cancel the priests visit to Wisconsin due to travel restrictions but had a second collection for our sister parish.

Padre Rodolfo had advised he was in the process of building a new dormitory at San Rafael for the use of Delegatos and Catechists traveling by road and boat to Waspam for in-service training and conferences. The old dormitory was literally falling apart as the wood deteriorated. It was rat, bat, and cockroach infested and not a fun place to stay. The showers and toilets didn't work and the floors had loose boards. Padre Rodolfo had decided to tear down the old building and rebuild a new, brick building with working showers and toilets. He was beginning to build the new dormitory when Hurricane IOTA came and the money was redirected for emergency operations. Now he is back on track but lacks the financial support to finish the dorms.

***This is a special request from Padre Rodolfo asking for additional funds to complete the dorms by December when the next conference is scheduled. If you are willing and able to help, there are envelopes marked as NICARAGUA SISTER PARISH at the entrances of both parishes. Please drop the envelopes into the collection baskets or drop them off at the parish offices. Your help is greatly appreciated.***
