

2020 Women of Grace Registration (February—May Session)

I invite you to join us this coming February for book discussion, community and fellowship.
Our group is for anyone 18-40 years of age.

We get together to talk, laugh and have conversations about more than just the book we are reading, we have a unique and special connection.

It is a true and faith-based friendship that we can share our lives, strengthen our faith and receive support and advice from those who truly love God.

Registration fee is \$15.00. (includes book and materials)

Please **Register at the link below** or **by contacting Jessica Herriges** at herrigesjessica@gmail.com
