2019

SAINT MATTHEW CATHOLIC CHURCH

Why do I want to receive the Sacrament of Confirmation?

"I want to be confirmed because I want to receive the gifts of the Holy Spirit. I want the Holy Spirit's guidance as an adult to make wise decisions in the future. I also want the opportunity to join the Church again, but this time with my own decisions. I want to be able to learn more about my faith. Finally, I think receiving the Holy Spirit will make me a happier person in life."

"I would like to be confirmed so I can receive the Holy Spirit and let the truths of God and the Catholic Church guide the rest of my life."

"The reason why I want to receive the sacrament of confirmation is that I want to be a faithful Catholic and want to inspire others to continue with their catholic faith. I also want to spread my catholic faith with others."

"I want to believe someone is watching over the people I love and over me! So the real reason I want to receive my confirmation is to find the faith I lost a long time ago. I want to believe I am being heard."

"I want to be confirmed to receive the guidance I need from God to live out a joyous life."

"I want to receive the sacrament of confirmation because I think I am finally prepared and it's also been really exciting knowing I am getting confirmed with my friends."

"I want to be confirmed because I am a Catholic. I believe that Jesus is God, that He started a Church here on earth, and that He instituted the sacraments so that we could be filled with grace and get closer to Heaven! And I want to participate in these sacraments as many times as possible so that I can be closer to Jesus."

"I want to be confirmed so that I will become closer to God and so that I will be able to receive all of the gifts of the Holy Spirit in order to improve my life and my family's. I also want to be confirmed so that God will become a bigger part of my life and so that God will be able to guide

me in the decisions I make in my life. Confirmation will also make me a permanent member of the Church and I want this so that God will always be with me and so I know that I can always count on God.”

“I want to be confirmed because I want to receive wisdom, inspiration, and kindness. I want to be stronger in my beliefs and faith.”

“I want to be confirmed because I want to be sealed with the Holy Spirit. I believe that it’ll make me a better person in my faith. It is a new beginning and an opportunity to grow in my faith.”

“I want to be closer to God by going through confirmation. I want to do my confirmation so I can say that I am a Catholic with pride.”

“I want to be confirmed because I believe in God and that he wants me to be a good person in life. To me, being confirmed is like graduating from Church, yet still going to be in the Church, participating in Church activities.”

“I want to be confirmed because it is important to me. The reason why it is important to me is because God played a big role in my family and my life. I made good decisions due to his influence. I was able to get through stuff thanks to him. That’s why it’s important for me to get confirmed.”

“I want to be confirmed because I feel like it’s a way for me to get closer to my religion. In a way, I have learned more about my religion so far by doing the process of my confirmation. I have had a lot of my questions answered. I also feel like I learned new things that I never knew about.”
