

### **Commit to Pray the Rosary as a Family**

The family that prays together stays together. -Fr. Patrick Peyton

As the Family goes, so goes the Nation, and so goes the whole world in which we live. -St. Pope John Paul II - Homily in Australia, 1986

Our Blessed Mother gave us the Rosary to pray for our families, for our country, for the whole world, for peace. And Peace first begins in our homes. The Rosary has been the foundation of promoting family prayer.

Starting March 9 and Sunday, March 10, an image of Our Lady of Fatima (either a small statue or picture) will be placed on the marble railing in front of Our Lady's statue on the west side of the altar. We ask that a family take the image home for the week, pray the Rosary each day and then bring it back the next Sunday. An image will be available at each English Mass. Please return the image to the same railing for the next family.
