

**Jean Jablonowski – Human Concerns Liaison**

“I am a graduate of Our Lady of Good Hope School, Brown Deer High School, and Sacred Heart School of Practical Nursing. I worked for over 25 years in a variety of nursing practices, including De Paul Rehabilitation Hospital, as a detox and psychiatric nurse, as well as specializing in women’s issues, such as childhood sexual abuse, obstetrics and gynecology. I volunteer at St. Francis Hospital. I am single and I have twin sons, Brian and Gregg, and two daughters, Dawn and Nicole. I continue to be interested in women’s issues, writing poetry, and visiting with my 11 grandchildren.”
