You may choose to spend your time in the air-conditioned chapel (call the Rectory to get the combination for the lock on the Chapel door), or spend your time in the Church. Our goal is to have someone keep watch with Christ in the Tabernacle every hour of every day. Sign-in sheets for Eucharistic Adoration are available on a table in the west narthex and in the Chapel.

# Remember Our Parish In Your Gift Giving This Year

With help from The Catholic Foundation of Southern Nebraska

It's only fitting that the Christmas season bring out the giver in all of us. This year, consider giving your parish a gift as well. While a gift of cash is always welcome, there are many other ways to give, and as a 501(c) 3 nonprofit Nebraska corporation, most gifts to our parish have favorable tax implications. Look at the list below...prayerfully consider a gift that will make an impact for you and your fellow parishioners for years to come.

**Cash** - Cash, checks or automatic withdrawal of funds allows our parish to fund its many ministries and apostolates. ACH - automated cash handling is increasingly popular among parishioners.

**Securities** –Securities can be a win-win gift for many of you. Stocks, bonds and shares in mutual funds that have appreciated in value can be given to the parish, and any deduction can be realized for the full market value at the time the gift is made, not just what the security originally cost. You can also realize a benefit by paying no capital gains tax on the sale of stock. It's as if you were to sell the stock and hold the cash.

**Depreciated Securities** – Do you have stock that has depreciated in a down market? You can sell this stock and claim a loss on your tax returns. Then, donate the cash from the sale to the parish and you may claim a charitable deduction on your tax return for the amount of their gift.

**Grain** – If you farm or own farms as an investment, the gifting of grain can be substantial for our parish. You can take grain to the elevator, and they'll fill out a settlement sheet (this will be proof for his insurance company and the government). You then transfer the grain to an account "Our Parish." The parish sells the grain and the elevator sends the check to our parish office. The benefit to you is that the grain will not be part of your income, so you will not pay taxes on that amount. At a minimum, that could be a 15.3% self-employment tax; 12% federal income tax and a 5% state tax. That is a whopping 32% tax savings.

**Livestock** – Those who raise cattle, hogs or other livestock can sell your animals and donate the proceeds to the parish. You'll claim a charitable contribution for the amount donated. You can also lower your taxes if you sell depreciated cattle in the parish's name.

**Real Estate and Property** - Land, buildings, and equipment can all be donated to our parish. Examples of real estate or property that can be donated include houses, farms, all types of collections, commercial real estate, antiques, jewelry, vehicles, etc.

**Matching Gifts** - Some corporations and companies offer matching gifts to employees' churches and schools. Your gift could be doubled - that is, \$100 becomes \$200 with a matching gift. See your company's human resources department for giving guidelines.

**Business Gifts** – Business owners can make gifts and receive tax deductions for them. Business gifts can include inventory, equipment, materials, and services, in addition to cash.

**Life insurance** - Cash value in current or paid-up life insurance policies can be a creative gift to our parish. Our parish can also be the named beneficiary of life insurance policies.

**Before giving, please note:**

- The above is not intended as personal financial or tax advice. It's general information about charitable contribution tax law. Contact your tax advisor, as individual situations may vary.
- All gifts made on or before December 31<sup>st</sup> are tax deductible for 2018.
- A charitable contribution may be an advantageous decision to allow you to itemize your taxes, if you don't already.
- Potential tax law changes could make a gift in 2018 better than next year. You should contact your financial adviser and tax preparer to be certain how current tax law in this area is impacted by your personal situation.

Thank you for your consideration of a Christmas gift to our parish. Your gift will allow us to continue to plan for the future. Remember, God is never out-done in generosity.
