1948 Chevrolet Fleetmaster Coupe (Vickie Malleck)

Griff was always about fun! He was looking for a "fun" car when his friends saw a 1948 Chevy at a car show that had a For Sale sign on it. So, they let Griff know about it. This was 2005. Griff bought the car from a couple in Palmer, NE, and the fun began.

He called it his "golf" car. We threw our clubs in the trunk and away we went to several different golf courses. He usually drove it to men's league night in McCook.

I used to drive it occasionally around town until I dented a fender against the garage door. I immediately drove it to Terry's Auto Repair and asked if they could fix it. Sure, they could fix it. I asked if they could fix it before noon when Griff came home for lunch! No, they couldn't fix it that fast! Griff took it all in stride and got the dent fixed. I decided to leave driving the fun car to Griff!

Our nieces and nephews grew up going for rides in the Chevy with Uncle Griff. He loaned it to family and friends for graduation pictures, proms, and weddings. He was pretty proud of his fun car and entered it in a few car shows.

When our nephews Mike and Miguel were in the National Guard and came home from tours in Iraq, there was a parade down Norris Avenue welcoming them back. Unbeknownst to the National Guard, a yellow 1948 Chevy car joined the end of the convoy with passengers like a little sister and nieces. They held a U.S. flag out of the window and surprised everyone!

We joined "cruise night" several times dragging main like we did in high school and sometimes picked up passengers along the way.

So, a lot of memories have been made with Griff's "fun" car, not only for the two of us but also several beloved people. Hopefully, the winning bidder will get as much enjoyment and have fond memories with this car like we did.
