100 Years 1919— 2019
September ♣ Volume 2021-2022 Issue 1

ST. PATRICK SCHOOL

401 East F Street ♣ P O Box 1040
McCook, NE 69001 ♣ 308.345.4546

Dear Parents,

Welcome back everyone. I have a lot on my mind. I will mention a few not necessarily connected topics.

First of all, our staff worked very hard preparing for this new school year. When school is not in session, Scott and others are very busy with projects that cannot be done so easily while students are around. Examples of large and smaller summer “vacation” projects include:

Preschool face lift (thank you to Jill Koenig and many who helped her), school water bottle filling stations, boys’ restrooms stalls painted (thank you Webb Body Shop), broken concrete removed and replaced for sidewalk at corner of East 4th and F St. (Thank you Bob Burns, Pat Burns, Larry Eisenmenger, and Brody Yeager.)

Lawn sprinkler system maintained (thank you Roy Remington.) Gym floor and school hallways “waxed.” Carpets shampooed (thank you Aiden.) Hot water heater replaced in church basement. Large refrigerator used by Altar Society is fixed and ready for school year.

Go to <https://www.stpatsmccook.com/st-patrick-elementary-school> for Newsletters, Menus, Calendars, Policies & more.

Buses serviced and inspected (thank you Cassie Spencer.) Preschool mini bus signage installed and looks very good (thank you Paul Sutton.) Gaga Ball pit improved with barn stall pads for more bounce (thank you Jen and Brandon Jacobs, and the Knights of Columbus.) School bell system power supply replaced. School fire alarm system maintenance. Camera system maintenance. School and preschool HVAC systems had a UV light and ozone air purification systems added using government grant funds.

We also have a new really fast photocopier (thank you Roseann Owens in memory of Jerry.)

I hope this helps everyone appreciate our staff and volunteers and donors who make it possible to have such a nice school facility. I pray we all appreciate the blessings we have and treat these gifts in a responsible manner and take care of what others have provided for us. God bless them.

Secondly, we are blessed to have a new assistant pastor. Please introduce yourself to Fr. Dale Alder. Please pray for all of our priests. Please pray for vocations to the priesthood and religious life. Tell your children how blessed your family would be if one of your sons or daughters had a vocation to be a priest or religious sister.

Third idea is that upon reflecting on the last school year we had noticeable less common cold and flu in the building. An important common sense lesson comes to mind. If we are healthy, it is a blessing and attendance at school is a blessing. If a student is sick, it helps them and others to stay home and not spread their cold, flu, etc. Like our mothers taught us years ago, practice good personal hygiene, cover your sneeze and wash your hands.

My next topic is also common sense that comes from mom's practical wisdom, go to bed early and be ready for the morning. What a blessing a good night's sleep is. What a difference it makes for all students and adults. Turn off the TV, phone, and computer and get some much needed sleep.

I have almost exhausted my list. Planning for this year's Fall Festival is underway. Soon we will be seeking your help in volunteering to make this a fun and successful event. We are trying to make a plan that ensures we can do things even if the spreading virus means we have to take precautions. More details coming soon. Please pray for the Fall Festival. It will be good to do something like this together and enjoy each other's company.

Last idea is a great insight I heard while listening to our 96.9 FM radio station. The priest made the point that Satan may not tempt a really devote person to sin. But will rather tempt them to be really busy. Thereby keeping them from praying, or in some other way neglect their relationship with God. We have started a new and busy school year. Please make sure your family's routine includes things like an early bed time. And a prolonged time of your own personal prayer and family prayer each day and worship on Sunday.

Mrs. Becky Redl

Welcome back to a new and exciting school year. As we enter this new school year, I am hoping for one that is filled with many unique experiences, refreshing challenges, as well as abundant successes for our students and our school. We have an amazing opportunity to let our children have a Catholic education and God has blessed us with a fabulous staff that is as excited as I am to get this year underway!! God is great!!

I am entering my twenty-four year at St. Patrick School and my eleventh year as school principal. I enjoy every opportunity that I get to share in your student's day in the classroom, cafeteria and playground. I am pretty sure I have the best job in the whole world because I get to watch each of these great students learn and grow every day!! Thank you for sharing your students with us.

I come from a family of six children, three boys and two girls and I am the youngest. I grew up attending St. Mary's Catholic School in Ellis, KS and graduated from Dodge City High School. I attended UNK for my bachelors as well as my maters and have called McCook home for the past twenty-five years.

My husband, Donovan works Bureau of Reclamation. Our oldest daughter, Breanna, is in Aurora, NE, starting her first year as a Speech Language Pathologist. Cassidy, our youngest, is a Physical Therapy Assistant at Cribelli Physical Therapy in Cambridge, NE. Each year as I watch our students grow into young adults, my head wonders where the time has gone and my heart swells with pride with their accomplishments. Best of luck to our students.

Welcome
Back!

Principal

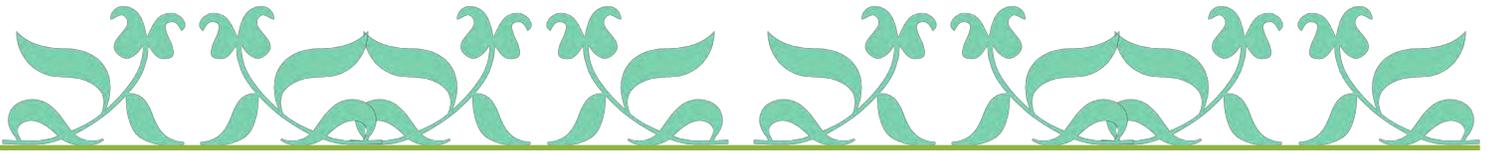

2nd grade students embark on a listening tour around the school

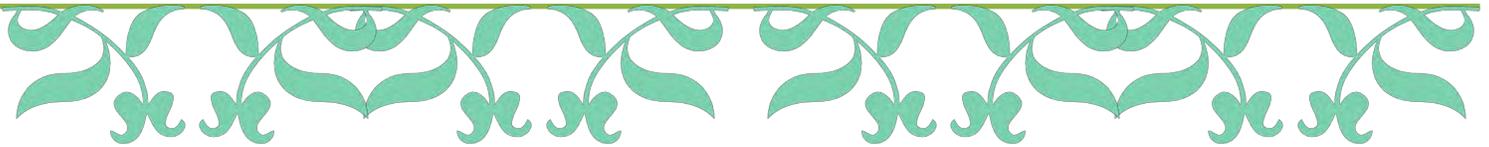

Our crew all ready for school .

Front row: Amanda Peterson, Lanae Fritsch, Khaley Lee, Linda Brewster, Lara Stewart

Back row: Cindi Arterburn, Stephanie Sydow, Barb Berry, Barb Bortner, Tama Kain, Deonne Hinz, Lena Koebel, Sarah Risenhoover and Becky Redl.

Mrs.

Lara Stewart

Welcome back! I am looking forward to another great school year! I am praying that we will be able to remain in the classroom!! I have been a “lifer” at St. Patrick School. I began teaching fourth grade, moved to second grade and now reside in the Kindergarten room. I LOVE St. Patrick School and my Kinders! I grew up in Haigler, NE. I attended college at UNK, met my hubby and moved to McCook. My husband, Kevin, is an agronomist at Frenchman Valley and my daughter, Brooke, is in her second year of college. She is also a proud St. Patrick alumni! The summer flew by entirely too quickly but I managed to knock a few things off my to do list, spent a little time at the lake and just enjoyed time at home. Here is to a great year and I look forward to seeing everyone!

Kindergarten

Teacher

Mrs.

Cindi Arterburn

My name is Cindi Arterburn, and I am the kindergarten para. This is my seventh year here at St. Patrick School, and my fourteenth year as a para.

My husband, Tom, and I have three grown children. They all attended this amazing school! We have also been blessed with eight fantastic grandchildren—four boys and four girls.

Kindergarten Para

Kindergarten "A" Hats

Mrs.

Amanda Peterson

Hi! My name is Amanda Peterson and will be teaching first grade this year. I am excited to finally have kids in my room so we can begin an exciting new "Adventure" in first grade! My summer went by very fast and was filled with lots of family time, coaching/watching Softball, running kids around, lots of baking and cooking, and catching up on a few projects around the house.

I am married to Aaron Peterson who is an engineering tech. and partner at W Design Associates here in McCook. Aaron and I have 5 children, so I feel like we are always on the run! Andrew is now in college in Milford, Sara is a junior and Rebecca is freshman at McCook High. Hannah is a 6th grader here at St. Pats and our youngest daughter Lexi will now have to practice calling me Mrs. Peterson instead of Mom J. I am excited for what I hope to be a busy fall sports season as I watch my kids participate in softball and volleyball.

I am thrilled to start this new school year! I look forward to all that God has in store for us this year, HE will always be our guide as we grown and learn together.

Teaches

1st

Grade

Ms. Khaley Lee

Hello and welcome to Second Grade! This summer has went by so fast and I am eager to get this school year started. This is my sixth year of teaching second grade here at St. Patrick School.

I spent this summer doing a few jobs. One of those was teaching summer school. I taught a 2nd grade summer school class for four weeks in June. Another thing I did was paint a storage container. I like to paint, but that was a lot of painting! I also did some things in my house to deep clean and get or-

ganized. This made me realize that I am going to start relaxing more and working less during the summer!

Students, I can't wait to meet you and kick off our year together! Parents, be on the lookout for math flashcards in the coming weeks and be sure to practice with your student. I hope everyone has a safe, healthy, and learning-filled year!

Teaches 2nd Grade

The second graders learned about Native Americans and the homes they lived in.

Sydnia, Grace, Canon, Brody, Ariel, and Bentley made adobe buildings.

Gage, Easton, and Riley made longhouses.

Katelyn, Clayton, Brekkan, Omar, Kenlyn, and Augie made teepees

Mrs. Laura Nokes

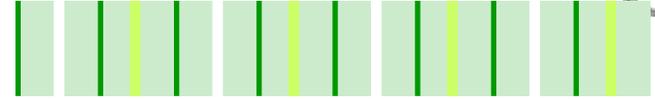

Welcome back to the 2021-22 school year. I pray that it is a calm and peaceful year for us. I have been busy with my boys going to lots of rodeos, showing 4H pigs and horses and golfing. I am happy to be back to St. Pat's for another year and look forward to working with my students here.

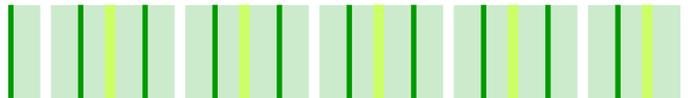

Teaches Resource & Title

Mrs.
Barb
Berry

Hi, my name is Barb Berry. I am married to Kevin and we have 3 boys. I grew up in Elm Creek, Nebraska, but have lived in the Oberlin, Kansas area for 35 years. I have worked as a special education para for 14 years. I look forward to my new adventure here at St. Pat's school.

Paraprofessional
Grades K-3

Mrs. Linda Brewster

Teaches

3rd

Grade

Hello and welcome to 3rd Grade! My name is Mrs. Linda Brewster and this is my 36th year of teaching at Saint Patrick School. I have a wonderful husband, Johnnie. Our son, David, is in college, majoring in Civil Engineering. We love to spend time together as a family. I am an avid quilter and I love to sew and embroider. I look forward to working with each of your children this year. This will be a year filled with incredible amounts of learning as well as fun!

4th Grade Teacher

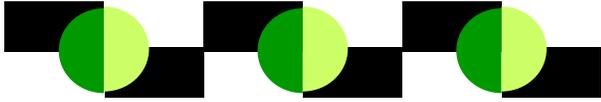

Tama Kain here welcoming you back to routine! Not that you lost routine, but probably it relaxed somewhat. For me summer still held some routine – morning Mass, evening family rosaries, and scheduled family meal times. But summer also brought flexibility to my schedule – a three-week trip to Ohio where I helped my parents mostly with gardening, landscaping, and organizing workshops; made a pilgrimage to a beautiful St. Joseph Church, planted walnut trees with my son, James; ziplined through the Hocking Hills with a good friend, visited Lake Erie and a Civil War prisoner camp on one of its islands, and caught up with my friends, brothers,

nieces, nephews, aunts, uncles, and a plethora of cousins (189 first cousins!). Here in Nebraska, I kayaked on the North Platte River and Republican River, accommodated 8 SOLT missionaries, tended a large garden and numerous flower beds, hiked, fished, enjoyed visits from seven of my eight children and my grandchildren, and (don't laugh!) enjoyed 2 a.m. mouse hunts in our chicken coop.

I love the riot of colors that summer displays – the varied greens of grass and trees, vibrant pinks, purples, oranges, teals, and reds that escort the rising and setting sun, soft pastel prairie flowers and bold yellow sunflowers, dainty spotted or striped butterflies, bluebirds, striking yellow goldfinches, red ladybugs, bright green leopard frogs, white wispy clouds in a pale blue sky or menacing grey clouds in a ominous dark blue sky which always stir up hope for moisture to refresh the earth. I am so blessed because as summer gradually wanes, I have students who will bring even more color to my life with their beaming white smiles; rosy cheeks; innocent (or not so innocent) green, blue, grey, and brown eyes; colorful written and spoken words, beautiful art work; and radiating golden love of Christ! Every season is a blessing, and I am excited for the colorful school year to come.

Hello and Happy BACK TO SCHOOL from the library. My name is Lena Koebel and I am the new librarian. I grew up in suburbs of McCook, Culbertson, graduated from Culbertson High School and continued my education at University of Nebraska at Kearney. My degree is in Exercise Science and a minor in Athletic Training and Nutrition. I have worked in two schools prior to joining St Pats, Heathcote Elementary in Heathcote, New York and Pound Middle School in Lincoln, Ne. Although with being in the library, I am the NEW Head coach for volleyball. I have three girls attending St. Pats Vivie (4th), Celia (3rd) and Kenlyn (2nd). My husband Jake works at MPPD and we live in country with our three dogs and many other farm creatures!! I'm excited to see everyone in the halls and in the library!!!

Mrs. Lori Hilker

Psalm 118:24 This is the day the Lord has made, let us rejoice and be glad.

Welcome back to school! I have missed you and am looking forward to being together again to learn and also to meet the Kindergarten and other new students.

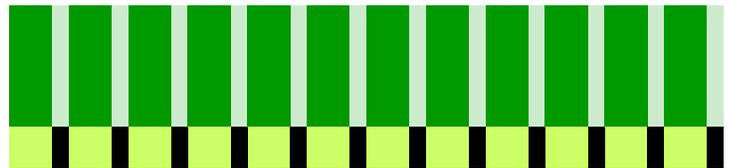

Hopefully your summer was terrific. My husband and I stayed busy with family and projects. We have three grown children and eight grandchildren. We got to do some fun traveling. While on vacation I got to see monkeys, learn how to kayak, and go on a zip line.

I started teaching at St. Pat's in the Fall of 2008 and I've been so blessed to be able to teach so many awesome kids and to work with some great teachers.

This school year may end up being a somewhat 'typical' year, or we might have to adapt to changing circumstances. For now we still get to gather, see each other's faces, hear each other's voices, pray together, learn, and make memories. Here is to finding great solutions any challenges we may face. With the help of The Holy Family, we've got this!! Let's do our best to have a great year!!

Teaches

Vocal & Instrumental

Music

Fr.
Dale
Alder

I'm Fr. Dale Alder, and I feel extremely blessed to be at St. Patrick for my first priestly assignment! I was ordained three months ago, and I've been here in McCook for two months. I'm originally from Lincoln, so coming out here has been a big transition, but I've felt very welcomed by the community! I'll be teaching 5th and 6th grade religion this year, and I hope to share a lot of what I learned in the seminary with my students. Make sure you say some prayers for them, because they have to put up with me, and I've only been officially "teaching" for a couple of weeks now! They've been great so far, and they have been asking great questions, so I'm already having a blast with both classes!

welcome
TO THE
TEAM

My name is Mrs. Risenhoover. I am the “new” upper grades teacher at St. Pat’s. I teach Reading and Science and I am the 5th grade homeroom teacher. I live in McCook with my husband and our two children. When I have free time I like to work in our

garden and bake from scratch. The staff at school has been very welcoming and helpful while I “learn the ropes”! ☺

Ms. Stephanie Sydow

Hello and welcome back to school! I hope everyone had a chance to relax and enjoy some time with family and friends this summer. We are busy getting back into the swing of things in the classroom by discussing expectations and procedures. We will then dive right into learning with Camp S'more Writing. This is a week-long opportunity for kiddos to work together in teams and complete different literacy tasks. We will keep "score" in this friendly competition as we review skills and learn new ones.

I am so excited to be back with each of you this school year! I look forward to continuing to learn and grow with your child. I did send home an overview of expectations, curriculum content and general information the first week of school. If you haven't already seen this, please ask your kiddo ☺ My contact information is in that handout but I will share it again here. If you have any questions or concerns, please do not hesitate to reach out to me here at school 345-4546 or by email at Stephanie-Sydow@cdolinc.net. May we all have a healthy and blessed school year!

Teaches 5—8 English
5 & 8 Reading

Fr. Gary Brethour

I feel silly writing all this once again, but for those who are new to our parish and/or school, I will include the details.

I was born and raised at Scottsbluff, Nebraska. I graduated from Scottsbluff Senior High School after attending St. Agnes Grade School. (Like McCook, we did not have a Catholic high school.) I attended UNL and earned a BS and an MS in civil engineering. I then attended Mt. St. Mary's Seminary in Emmitsburg, Maryland. I was ordained a priest on May 27, 1989.

My first priestly assignment was three years as an assistant here at St. Patrick Church and School, 1989-92. I have been honored to be the Pastor and Chief Administrative Officer here at McCook since 1999. It is amazing to me how fast my time here in McCook has been. I have been ordained 32 years. Twenty five of those years have been here with all of you. Five of the seven years when I was not assigned to McCook, I was just up the road in North Platte during which time I saw many of you on my days off while hunting in this area with Msgr. Tucker.

My father and mother have both died. Please continue to pray for the happy repose of the soul of my mother and father and all of our faithfully departed. As a good friend told me after my mother died, "She has been preparing for and waiting for this day all her life." Great point. It very important to keep in focus the purpose in our life. It helps bring in to focus why we have St. Patrick School. To teach, form and prepare our students with this goal in mind.... Heaven.

Superintendent

Mrs. Deonne Hinz

Welcome back! I hope everyone had a wonderful and creative summer. I feel so blessed to be a part of the staff here at St. Patrick's School, teaching Kindergarten through 8th Grade Art as well as Kindergarten through 8th Grade Computers. This is my 14th year here at St. Pat's and I am looking forward to another wonderful year.

Some information about myself and my family you might not know. I have lived in the area for almost 27 years. My husband, Merlin is currently transports ag and chemical products for Kuglers in Culbertson. When he is not busy working he loves restoring old cars, cooking and camping. We have three daughters named Micah, Noelle, and Stacia.

Micah is 26 years old and currently living by Mancelona, Michigan. She is really enjoying herself up there spending time with her husband Randy and 12 year old son Anthony. Micah also found it in her heart o bless a local family through adoption. We are so glad the family wants us in their lives. We are now blessed with 3 granddaughters aged 12 and almost 5 years old twins. We are happy to have such a wonderful extended family.

Our daughter Noelle is 24 years old and served our country in the Marine corps for 4 years and now lives with my husband and I on our farm outside of McCook. We are so proud of her and thankful have her home. She is currently working for Parker hose plant as a Hydro and Inspection Technician.

Our youngest daughter, Stacia is 20 and lives in McCook and currently works for McCook Head Start and Ag Valley Coop C-Store. She is getting married in October and we are

looking forward to celebrating her big day and welcoming a new son-in-law Alex Logan. When she is not planning the wedding and working she also keeping busy with her puppy named Minna and she is so tiny compared to our dogs .

I also can't forget my very large dogs Miura who is now 5 years old and No-elle's dog named Khal who is now 2 years old. They both are Great Danes and keep my family entertained by their silly shenanigans. I also have a cat named Rue along with several chickens.

I have had a very busy summer. I was blessed with an opportunity to travel to Michigan to visit our oldest daughter this summer as well as visit several national parks in northwest Nebraska with my best friend Michele. When I was not doing that I would be taking care of our very large garden. Our family did find time to go to the lake this summer which was a lot of fun. When I was not working on school or home projects, I would keep myself busy working on some of my own artwork. My favorite things to do is making pottery on the pottery wheel.

I am looking forward to another creative year. See you around school!

Teaches 5-8 Computers & K-8 Art

Mrs. Barbara Bortner

Bob and myself visiting my brother Tim in Kansas City.

Hi, my name is Barb Bortner. I enjoy my job as school secretary here at St. Pats – what a great bunch of students and wonderful crew to see every day! My husband, Bob, and I live on a farm and ranch north of town, and I love it there. We enjoy our family and have fun spending time with them, working with them, and going to our grandchildren’s many varied events and activities. I am very fortunate to have a granddaughter at school here at St. Patrick School :-)

This summer I was busy with refinishing several pieces of furniture, taking care of our garden, yard and flowers, and I had a blast attending all the grandkids events, ball games, parades, and the National High School Rodeo Finals. We also included a quick trip to Kansas City. I sometimes enjoy bike riding as time allows. My parents live here in McCook. We enjoy visiting them and the rest of our family, so as you may be able to see in the photos, events and family are pretty much our circle of travel.

School Secretary

Mrs. Toni Gerver

Yea we are back in school! A little bit about me. My name is Mrs. Toni Gerver and I teach P.E., all grades. I have taught at Saint Patrick School since 1999. I love working with the kids and hopefully inspire a lifetime filled with fun activities to keep their bodies especially their hearts in tip top shape. When I am not at school I am usually with my family. My husband Bill and I have been married 39 years. We have two sons, Nickaluas who works in Wyoming but lives here. Chance, who has his own business here in McCook, Chance's Welding and Backhoe. We have one daughter Danni and husband Walter Pedersen. My three favorite people are my grand-kids, Paxton, Ashton, and Rikki Anne. I also enjoy my pets and swimming. I look forward to an awesome year. Toni Gerver

Hello!

I am Zach Wieser. This is my 7th year of teaching overall, and I am so excited to get back into teaching Math, along with Algebra! I taught math for one year in Columbus, NE and three years at the junior high. I graduated from the University of Nebraska-Kearney in 2014. I have two amazing children. Aidyn Miller (my step-son) is a 5th grader here at St. Pats and Jackson, who is 5 and will be at Little Knights for preschool. We love going out to the lake and going on bike rides. I am so excited to get back and jump right into learning!

Preschool Teacher

My name is Jill Koenig and I will be the preschool teacher at Little Knights Preschool. I am so excited to meet the kids, their families, and get our school year started!

My husband Carl and I have been married for sixteen years. We have been blessed with four great kids! Becca is a freshman at MHS this year. Our other three kids attend school here at St. Pat's. Addison is an 8th grader, Lance is a 6th grader, and Katelyn is a 2nd grader.

I want to give a huge THANK YOU to the Knights of Columbus and the Bargain Bazaar Thrift Store! With their funding and hard work, we were able to paint the inside of the preschool and also get all new flooring over the summer! The preschool looks fabulous! I hope to get photos up on the St. Pat's website soon for all to see. I also want to thank my family and friends for all of their help getting the preschool ready! I couldn't have done it without you!

I will also be the Assistant Coach for our Lady Knights volleyball team! The next few months are going to be quite busy, but also a lot of fun! Go Knights!

Mrs.
Jill Koenig

Mrs. Tyler Sue Loop

Hello! My name is Tyler Sue Loop and I am the new preschool teacher aide. My husband Tyler and I have been married for 15 years. We have three children, Kapri is in 8th grade, Keaton is in 6th grade, and Amity is in 1st grade. I love spending time with my family, talking with my friends, being outside, and golfing. I'm really excited for this new adventure and I can't wait to get to know everyone.
