

**Here's what others have said
about their ACTS experience:**

ACTS RETREAT

What is it?

ACTS is an acronym for Adoration, Community, Theology and Service. It is a wonderful opportunity for individual spiritual renewal and for the parish.

We recognize that clothes grow thin, tires become hazardous when driven on too thin, and patience has thinning spots. Well, our spirituality and our practice of our faith also suffers this thinning action, and like clothes, tires and patience must be renewed to prevent stagnation and loss of spiritual benefits.

That is what ACTS Retreats are all about: to re-clothe, re-tire and obtain new patience, to give you an opportunity to make old things new, to refresh time-honored practices that make our lives, our families, our church and our community strong and a living sign for Jesus Christ.

We invite you to “come away for a while” and experience the presence of God’s Son bringing anew the light of the Holy Spirit into your life.

...ACTS surprised me. I found a whole new relationship with faith-filled women (and men) who are willing, even eager, to share their experience of Christ in their daily lives.

...I thought I was close to the Lord before – this retreat helped me and showed me what to do and where I need to be to become even closer.

...A life changing experience.

...It was a gift to us all. Christ was so alive in all of us.

...My experience at this ACTS retreat has definitely brought me closer to the Lord. I am inspired to continue to pray and reflect upon the many ways the Lord wishes to use me. I plan to continually place myself at the foot of the cross, at the feet of my Savior in adoration.

...I am so blessed to have come. The Spirit was definitely present in everything.

...An experience that I will never forget and want everyone to be able to experience.

...Everyone needs ACTS, they just don’t know it yet
