

Saint of the Week: Sts. Benedict & Scholastica

Sharing mutual love that seeks the good of the other.

Patron Saint of the Week: Saints Benedict & Scholastica, Class 2A

Saint Benedict and Saint Scholastica were twins! Both of them wanted to give their lives to God. St. Benedict went into the desert and formed the first group of monks. His sister became one of the first nuns. They loved each other very much and helped each other to be good and to follow God, but they didn't see each other very often. Once when Saint Benedict came to visit his sister Scholastica, she prayed that he would stay longer. God sent a storm that was so bad he could not leave!

Prayer:

Saints Benedict and Scholastica, help us to find good friends and to be good friends, especially with the members of our family. Help us to lead those we love toward God. Amen. Saints Benedict and Scholastica, pray for us.
