

St Patrick Catholic School

701 S Church Street, Wentzville, MO 63385
Phone: 636-332-9913

Greetings new St. Patrick Catholic School Family!

Thank you for choosing St. Patrick Catholic School! We provide a dedicated staff who will work with you to develop your child(ren) into nurturing, caring young men and women. In addition to an excellent academic curriculum, St. Patrick Catholic School also offers many additional programs that develop leadership skills and build self-confidence. Our students are challenged to become the young people God created and desired.

The Archdiocese of St. Louis, the Roman Catholic Foundation and the Today and Tomorrow Educational Foundation are offering scholarships for families who meet the requirements. The open enrollment begins on Monday, January 27th, and the deadline is February 28th; however, if you register after February 28, you are strongly encouraged to still apply. Do not miss this opportunity! Information regarding these scholarships are included in your packet. In addition to a subsidy to the operation of the school, the parish offers tuition assistance; however, you must apply through this program, for scholarships to be considered.

Please note, students entering St. Patrick School will need to provide a copy of the student's birth certificate, baptismal certificate and current immunization record. Also, physical examinations are required for students entering Preschool, Pre-kindergarten, Kindergarten, Grade 3 and Grade 6. This information is due by August 1, 2020.

Again, thank you for choosing St. Patrick Catholic School! We take pride in giving our students a catholic elementary education which holds true value in forming your child(ren) in the ways of the Lord.

Welcome to the St. Patrick Family!

Mrs. Jill Gould
Principal
