TALENT SHOW announcement!

Just to let you know there will be a Talent Show! The details are in the works and as soon as we have firm plans we will share with all of you! In lieu of a musical, some of our 8th grade students will host the talent show this year. We plan to hold it in the evening and even display some of our students' art work! Kind of a *Connecting Hearts through the Arts Night*, if you will! We are shooting for after Easter in late April! We will keep you posted!

How cool is this? Thank you!

A huge shout out to this Girl's Scout group for donating a bench to St. Patrick School! Remember all of those plastic caps you were collecting? Well, check out the bench that was made by those caps!

SHREK Jr. Auditions! Opportunity for MS!

Cathy Pescarino with Assumption Catholic School has invited our middle school students to participate in a production of Shrek Jr. Please see her note below and the flyer attached!

Please know your kids are welcome to be a part of our production! Since we are a ministry through the parish, we open it to anyone who wants to be involved. Any faith, any church, any school. In fact, in our production that we just did in January, which was Footloose, we had high school and middle school teens involved from 15 different schools/faith communities. It's been a really beautiful way for kids to connect to their faith & each other through the arts. Attached is the audition info if you wish to share it with your students or anyone who might be interested.

Summer Camp Program

Saint Patrick Parish is pleased to once again offer its summer camp program. This program is open to students entering Pre-Kindergarten thru 8th grade. Our program is staffed by many of our teachers, aides, and employees of our aftercare program.

This is the tenth year we are offering this program and we are dedicated to making it a wonderful experience for your child(ren). Our program consists of a daily mix of fun and learning. The children's days will be filled with the leisure of summer and sprinkled with interactive learning activities that reinforce the academic skills from their previous year. Games, relay races, crafts, water activities, along with enrichment experiments and surprise presenters will also be a part of this exciting camp.

This is a wonderful experience for children new to our school to make new friends and become familiar with our school environment. It is extremely helpful for incoming Pre-kindergarten and Kindergarten students and helps to ease the transition of entering school in the fall.

Register now! There are a limited number of spots available. Children will be accepted on a first come basis. A summer care handbook with more detailed information will be sent to those families who register for the program.

The program will run from June 8 – July 17
