Teacher Appreciation Day – Tuesday, May 4

St. Patrick School is very special because of our school family! All of us know that it takes our whole family working together to help our children be successful! We provide a quality education in a Catholic environment that promotes a love of God, positive self-esteem, personal responsibility, and a respect for others and the world around us following the example of Jesus Christ.

We are very grateful for the teachers and aides we have at St. Patrick School! They are the most dedicated and committed teachers, and show a love for St. Patrick School that goes beyond words!

Tuesday, May 4th is an opportunity to show our appreciation to our teachers and aides! This year the Home & School is treating them to a special catered lunch and a presenting them with a small gift.

If you would like to personally show your appreciation, please feel free to shower them with "Thank You's" in your own special way on Tuesday, May 4th!

“Flame of Love” Rosary at St. Patrick

The basis for starting this devotion is first, to introduce the Flame of Love to St. Patrick Parish. Second, it is to provide an opportunity for moms (dads, grandparents) to participate in this rosary prayer with children. All are welcome and we invite kids of all ages to lead the rosary, giving the young children of our parish a unique opportunity to come together and pray. Families may stay the whole time or just for one decade. This is more about promoting the Rosary to youth and praying and less about teaching. If your kids just are not “there yet” in praying the rosary, just pray it anyway in their presence and enjoy the joyful noises they are making to the Lord.

We will pray the Flame of Love Rosary on the first Wednesday of every month in the church. To learn more about the Flame of Love devotion, visit flameoflove.us/. For questions, contact Melissa Dierenfeldt at 660-483-1122 or melissa_mt-bc@hotmail.com. No prior knowledge of the rosary is needed. Prayer booklets are provided and rosaries will be available to use for those who do not have one. We hope you can join us!

UPWARD BOUND

SLUH's Upward Bound 7 program (for boys currently in 6th grade) has a limited number of spots available for their program this Summer. Although our Upward Bound 8 program is currently fully booked for the Summer, we do have spots for Upward Bound 7 that remain. Upward Bound 7 (for rising 7th grade boys) is SLUH's Summer program

that exists to "cultivate joy and wonder in learning how to be better learners." The program is an all-day program that will run from June 9 until July 2 from 8:00 am until 2:30 p.m. most days (after care is available until 5:00 p.m. on most days as well.) To learn more, take **one minute** and watch [a brief promotional video](https://www.youtube.com/watch?v=7KdyV8fm5PI) about the program at <https://www.youtube.com/watch?v=7KdyV8fm5PI>. You can also learn more about the program specifics as well as register for the program by going to <https://www.sluh.org/academics/summer-program/upward-bound>

But here's the only issue: **Our space is limited (even more so this Summer with the need for social distancing) and we will fill very quickly.** Indeed, our Upward Bound 8 program has been full since February and now has an extensive wait list.

Please visit our website and contact Tim Curdt, our Upward Bound Academy Executive Director, at tcurdt@sluh.org or (314) 531-0330 with any questions. We hope to welcome some of your students to UB7 this summer!

SUMMER CAMPS 2021

Athletic & Academic Summer Camps Grades K-8

No matter what your child's interests are, camp helps children develop important social, emotional and cognitive skills. The memories made at camp with their friends will last a lifetime.

We look forward to a summer in which we will return to some semblance of normalcy. These summer camps are a great way for students to help re-connect and feel a part of something.

We look forward to the day we see the kids walking into camp for the first time, seeing their friends, and feeling an overwhelming sense of connection.
