St. Patrick Summer Camp Program

Saint Patrick Parish is pleased to once again offer its summer camp program. This program is open to students entering Pre-K thru 8th grade. Our program is staffed by many of our teachers, aides, and employees of our aftercare program.

This is the ninth year we are offering this program and we are dedicated to making it a wonderful experience for your child(ren). Our program consists of a daily mix of fun and learning. The children's days will be filled with the leisure of summer and sprinkled with interactive learning activities that reinforce the academic skills from their previous year. Games, relay races, crafts, water activities, along with enrichment experiments and surprise presenters will also be a part of this exciting camp.

This is a wonderful experience for children new to our school to make new friends and become familiar with our school environment. It is extremely helpful for incoming Preschoolers and Kindergarteners and helps to ease the transition of entering school in the fall.

Register now! There are a limited number of spots available. Children will be accepted on a first come basis. A summer care handbook with more detailed information will be sent to those families who register for the program.

If you have any questions, please feel free to contact Mrs. Jackie Doerr at jackiedoe@stpatsch.org.

The program will run from June 3 - July 26
