Happy Summer!

I hope all of you are taking some special time to enjoy each other! It's quiet around the school building with the exception of those who are cleaning, and stripping and waxing floors. I submitted my final 2020-2021 report today! It's always a good feeling to have it accomplished. While we've been working on the 2021-2022 school year for months now; I am excited to give it my undivided attention.

It's always bittersweet to close a school year. Though this year was extremely challenging, the support, love and kindness from the staff, students and parents helped us to forge ahead, completing an entire in person school year. Our theme, *Stronger United* was put to the test on a daily basis and yielded unmeasurable outcomes. Hearing the children laugh, watching them play at recess provided me the satisfaction I needed to continue through this uncartered time period. I don't think you realize just how nice it was to hear from so MANY of you throughout the year. Your kind words helped me get through some tough moments (hours/days ☺). Thank you for your prayers and support!

Please take some time to read on. The next part pertains to the pandemic and our plans for moving into the new school year. A more detailed newsletter will come out in late July!

Enjoy your summer!

Trusting in His Care,

Mrs. Gould

IMPORTANT INFORMATION WHEN ORDERING: **Please plan ahead when ordering!** The Sportsprint store is open on a month by month basis, then closed for production and shipping. If an order is placed at any time between the first & last day of the month, it will be delivered around the 20th of the following month. For example, if an order is placed on August 10, it will arrive at the school office around September 20. To avoid shipping charges, choose the "Pick Up My Order" option and your order will be delivered to the school and we will send the item(s) home with your oldest student.
