## Testing Week - September 16 - 20, 2019

Students in Grades 3 through 8 will be taking their annual Iowa Assessment in just a two short weeks. We ask that parents assist by making sure the students get a good night's sleep, bring healthy snacks and lunches, and avoid missing any days that week if at all possible. Anything you can do to help is greatly appreciated!

## PARENT TEACHER CONFERENCES

We will be sending the link for signing up for conferences after the Fall Festival. Please note the following schedule.

**Monday, September 16<sup>th</sup> – 8:00am** – Families with three or more children will be sent the link in hopes to help manage their conference times better.

**Tuesday, September 17<sup>th</sup> – 8:00am** – The remainder of the St. Patrick families will be sent the link to sign up for conference times.

## Technology News

### **GoGuardian:**

For the 2019-2020 school year will be using GoGuardian to monitor students work activities on their chromebook and windows devices. GoGuardian monitors all websites and internet activity and reports to teachers and admins about inappropriate web surfing.. This year grades 5-8th are been monitored. In addition, we are using other methods to keep them on the right track when using internet resources. If your child uses their St. Patrick Google account at home, GoGuardian will automatically protect them at no cost to parents. We introduced GoGuardian in the 2017-2018 School Year.

### **BARK!:**

For the 2019-2020 school year we will also be using the FREE service called Bark for all grade levels. BARK is our anti-bullying protection plan that seeks out keywords in documents and much more alerting us to any potential cyber-bullying, drug/alcohol, violence, depression or self-harm issues. BARK has a free Parent app that monitors these issues after school hours (3pm-8am), holiday breaks and over the Summer. Please send Mr.Kalist an email if you would like a Free BARK account that includes monitoring from your smartphone (iPhone/Android). BARK also offers a 20% discount on their paid App that monitors your entire family and over 35 social media apps. We introduced BARK in the 2018-2019 School Year. For more information contact Mitch Kalist ([mitch@stpatsch.org](mailto:mitch@stpatsch.org)) or the school office/administration.

## High School Nights

The 2019 High School Nights will be held in September and October. Eight locations will host these events that give an opportunity for 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> graders and their families to hear from school representatives about their programs and policies. Watch for more information on the particular High School Night in your area. Complete information is posted at
