

Frequently Asked Questions

Where is the Touhill Performing Arts Center?

The Touhill Performing Arts Center is on the University of Missouri - St. Louis campus. For parking and directions, visit catholicwomenforchrist.org

How do I register?

All attendees must first register on this Catholic Women for Christ website with your name, email, and parish information. After doing so, the "Next Step" button will bring you to the Touhill website where you select the number of tickets you would like to purchase, proceed with payment, and then receive a confirmation email.

If you only register on the Catholic Women for Christ website, your registration is not complete.

You *must* continue on to process and pay for your ticket on the venue's website.

If you are having trouble registering online, please call the Touhill Box Office to register at 314.516.4949.

How old do I have to be to attend?

We suggest high school age and up.

What should I bring with me and what should I leave at home?

Many women bring a tote bag with them for items they buy or resources they gather from vendors. The temperature of the theater varies, so we suggest bringing a sweater.

Water bottles are not allowed in the theater. The venue provides cups for purchase that are allowed in the theater. These cups are reusable from year to year so it is definitely worth purchasing!

I lost my ticket. What should I do?

Don't worry! Head to the Box Office with your I.D. to receive a new ticket. It would help to also have a confirmation number with you.

Does registration include lunch?

Yes! If you have dietary restrictions that we need to know about, please call 314.792.7185.

**If you have dietary restrictions, please contact us two weeks prior to the conference date.
