

Catechesis of the Good Shepherd: The Little Flower Atrium

We are excited to begin our second year of Catechesis of the Good Shepherd! We are busy working, planning, and setting up this special place where our youngest members can grow and nurture their relationship with God!

We will be offering two classes this upcoming year:

Thursday mornings: 9:00-10:45am

Friday mornings: 9:00-10:45am

I ask that you be as flexible as possible regarding what day you choose. We will do our best to accommodate your first choice, but there are many factors that go into putting

each session together.

Enrollment will be capped at twelve children per class. The classes will meet weekly throughout the academic year and will follow the school calendar closely. If the sessions fill up, we will put your child on a waitlist.

Is your child ready for the atrium?

We are a Level I Catechesis of the Good Shepherd (CGS) atrium, which is set up for **3-6 year old children**. We ask that your child be able to use the bathroom unassisted. We have a bathroom in the atrium but will not be accompanying children into the restroom.

Parents do not attend the session with their child. We will have an orientation with both parent and child before we begin the year so you can see the environment and learn more about CGS.

Tuition for the year will be \$80 per child, we will collect the payment after your child has been confirmed in a session.

Our year will begin on September 14th and 15th with a brief orientation for parents and students. We will be conducting the orientations with smaller groups and will contact you with the time – it will be between the scheduled 9:00am – 10:45am.

Feel free to contact me with any questions or concerns that you may have!
