

Welcome back to St. Michael's. We are excited to open up Masses again beginning May 4th. This will look different than it has in the past and we will have to limit numbers in attendance at each Mass. In keeping with the CDC guidelines, please be prepared to attend another Mass if we are at capacity.

The Bishop has advised anyone who has underlying conditions, is sick, or has a cough to **watch Mass on Live stream**. You have dispensation from attending Mass. Live streaming will still be available for all to view.
