December 10, 2020

DEAR ST. CONSTANCE PARISH FAMILY AND FRIENDS:

The times that we are in now will remain unforgettable as we reflect and continue to process these difficult happenings....for however long it may be.

And yet....God allows such things to happen over the course of the decades of our lives. Every person of every time has had to make the Journey of Faith..... so many of you have suffered much, and have reached out to others with compassion and support. We have all missed our gatherings in prayer and celebration, parish family and friends.

Our personal and public lives have had to change. We have had to do things differently even when we are at Mass. Our awareness level has deepened so very much. We have reached out in new ways to stay in touch and to pray. God, The Creator of the universe, allows Nature to follow its course.

We have learned that we are all equally human and subject to the trials of life and nature. God loves us so much that He sent Jesus into our world to give us hope and feel His love no matter how tough things are or become. Our Faith is strong and will continue to grow in God's great love.

PLEASE REMEMBER: Jesus is not only AWARE of our problems, HE is alive within our hearts, bringing LOVE AND HOPE....COURAGE AND STRENGTH....and a DEEP AWARENESS of HIS ABIDING PRESENCE...everywhere...every when...every now and every how...no matter who...

Dependence on God

"If God so clothes the grass of the field, which grows today and is thrown in the oven tomorrow, will He not much more provide for you, O you of little faith?
So do not worry and say, 'What are we to eat?' or 'What are we to drink?' or 'What are we to wear?' All these things the pagans seek. Your heavenly Father knows that you need them all. But seek first the kingdom of God and His righteousness, and all these things will be given you besides. Do not worry about tomorrow; tomorrow will take care of itself. Sufficient for a day is its own trouble"

Matthew 6:30-34

Your fellow traveler on our Journey of Faith...
and...Lift up your hearts,

Fr. Leo

With love, Fr. Leo

*Please receive and give the blessings
of the true Christmas Spirit*
