## On my Faith Journey...

- I'd like to find out what the Catholic Church teaches
- How does the Bible connect with my faith
- I am Catholic - but not yet confirmed
- I was Baptized - but no other Sacraments
- I am not Catholic, but some of my family is
- I left the Church, but would like some questions answered
- I have had very little Religious instruction
- I am a practicing Catholic, but want to learn more
- I would possibly like to become a Catholic, or at least hear more
