Catholic Charities New Counseling and Pastoral Care Team!

Catholic Charities has been working very hard to update and upgrade their services. Now under new management, they have assembled a whole new team of licensed Counselors, in both English and Spanish, to meet the needs of all our parish families throughout the Diocese and all our surrounding areas. Catholic Counseling integrates a variety of clinical techniques and faith-based support, within the fullness of the teaching of the Catholic faith. The staff of professional, licensed counselors work in an office-based setting to provide help to individuals, marriages and families. Catholic Charities is offering our Diocese an extraordinary gift of counseling services focused on fully supporting your Catholic faith and values while attending to the mental, emotional and relationship health and healing process you and your family may need. If you or someone you love is struggling and are not sure where to go or what you may need, Catholic Charities is here to help. If our locations are a difficult traveling distance for you, Virtual counseling services are also available. Please call us at (918)508-7136.
