From the Pastor's Desk

THANK YOU'S ALL AROUND! Especially to God who has and continues to remain faithfully present to each and every one of us! As last week, we were able to once again resume public worship, I wish to **first** thank all who have been so faithful in prayer and support and presence (albeit, at a distance) and hard work since mid-March, especially the small but mighty and dedicated Staff that we have been able to keep since mid-March.

Second, I wish to thank the "Forward with Christ Task Force" who, in less than 2 weeks-time, pulled together and organized a plan to facilitate the re-opening of the Church building, and who also assisted in organizing and training our Julian Ministers and Sanitization Teams. They have done an outstanding job which comes from their great love of the Lord that they share with all of our members, as well as their love of each member and desire to make the Church building available for prayer and worship.

Third, I wish to thank all of our Julian Ministers, who have been more than welcoming to those able to come to Church and offered a very important ministry to help us all worship comfortably and safely during these days of Pandemic. **This is a GREAT ministry to be a part of. PLEASE consider helping with this. It is not difficult, and, if you are coming to Church for Mass, you are already there to assist. Currently, while many have joined this, we still need more if we are not to have many of the same parishioners carrying out this ministry week after week without a break. Please, contact me or Linda Herold if you are interested, and we will connect you and get you trained.**

I am also grateful to the Sanitizing Teams and staff who have worked diligently to keep the Church sanitized before and after each use. With just a little over a week back in our Church building, this has been done daily (with Funerals, twice a day as well as with Sunday Masses, twice), and many of the Julian Ministers and members of the Sanitizing Teams have been there multiple times to help with this . . . **THANK YOU!! THANK THEM!!**. Again, we are still in need of **MORE parishioners to be part of the Sanitizing Teams, necessary to keep the Church building open. It is not a difficult task, and with several on each Team, it goes very, VERY quickly. If interested, please, contact me or Linda Herold and we will get you signed up and trained and part of a Team.**

Fourth, I wish to thank those who have ministered and will be able to minister in various liturgical ministries at this time. While there are new ways of doing what you have done for so many years, there is still one purpose . . . to serve Christ by serving His people . . . and you have done that so well!

THE MOST HOLY TRINITY

Fifth, I wish to thank all who have continued to be faithful in their Stewardship/Financial support – either through your weekly envelope offerings (again, these can be mailed or dropped off at the Parish Center or now, placed in locked Offertory boxes located in the Church), or Faith Direct (an easy, electronic way of providing consistent and important financial support for your parish), or Text-to-Give ((330) 969-6310), an even easier way to provide financial support. Together, we move “Forward with Christ” following a path to “Renewing our Catholic Life”, and we do this together, “Leaning on the Lord!”

Question of the Week

Reading: John 3:16-18

Adults: Throughout time, we have longed to see the face of God, that was fulfilled in the life, death and resurrection of Jesus. We see God in the compassion, patience and unconditional love that are signs of His presence. Look around – how and where have you seen the face of the Lord? How and where have you been the face of the Lord for another?

Children: Take a walk with a member of your family – where do you see God in the world around you?
