

LIFE—the only option.

Our mission is to protect all human life from conception to natural death.

Once again this year, in January, we are reminded of the ongoing need to support all of human life given the reality that so many continue to suffer and Abortion has not been completely eliminated. Also, again, this year, you can choose options on how you might support, certainly financially, but in other ways, not only the protection of the “pre-born” along with their mothers and fathers, but also those who have been born and who are at risk, from the young to older youth and young adults. While signatures are still being collected to give to our legislators, the primary focus of the “Voice for the Voiceless” campaign is on **alternative forms of media, such as billboards, internet, television, radio, and mobile phone applications.**

The “**Right to Life**” includes **all** life, from conception until natural death, therefore, in addition to participating in this year’s “**Media Campaign**” (which seeks to raise funds for **alternative forms of media, such as billboards, internet, television, radio, and mobile phone applications,** you may choose to support **life** in other areas.

This insert will allow you to make that choice.

*To participate in this year’s Annual “Financial Support for **Life** Campaign”, please, complete the form found in this flyer and include your donation to help support any or all of these important **Life** efforts. Place your completed form, along with your donation* in an envelope marked “**Financial Support for Life Campaign**” on the outside of the envelope and place the envelope in the Collection Boxes located in Church or drop it by/mail it to the Parish Center Offices by Tuesday, January 31st. You may also donate via Faith Direct via this link:*

<https://membership.faithdirect.net/givenow/OH669/50438>

If donating via check, please make the check payable to “Our Lady of Victory Church” and we will send checks for the totals collected to the particular organization/organizations you have selected.

Thank you in advance for your moral and financial support of these ever-so important “life” issues. Invite others to add their names/voices/financial support to these efforts.

This coming year will mark the 51st year since abortion was legalized in all 50 states by the Supreme Court's decision in Roe v. Wade. Since that day, 66 million innocent children have been brutally killed and countless mothers have been left forever hurt and changed by abortion. With Issue 1 passing, we need more than ever before to reignite a love for parenthood and family, and community. We march because we are a community building a culture of life together. We are here to show support and love to the women who need it the most. We can end abortion by being the community and support system these women and families desperately need.
