Good morning to you all.

The new welcome ministers' schedule is attached. This schedule takes us through June 9<sup>th</sup>. You may notice on the March schedule that you are not on there. The reason is that the Parish Pastoral and Finance Council asked to have the majority of those days in the hope that they may become more visible to the parishioners. Thank you for your understanding.

I want you to know that we receive many comments from individuals, both parishioners and visitors, how nice it is to be greeted. So another reason to make sure our doors are covered.

The usual requests

- please make sure the alcove door is covered first
- if you see an open door, please go ahead and greet until the scheduled greeter arrives
- if you are unable to greet on your assigned date, PLEASE obtain someone to sub for you

There are some open slots, especially for the Holy Days, and the Easter Triduum. If you are able to cover any of them, please let me know, or sign up on the sheet by the prayer notes' book.

Also attached is a list of the ministers with contact information and a new 'available/unavailable dates' form to cover June 15 through Labor Day. Please complete that as soon as possible

And, on two important opportunities for you to enhance your faith journey – remember the DVD series of Bishop Barron's "The Mass" begins this weekend at 4:15 pm Saturday and 10:15 am Sunday. Watching this has enhanced my understanding and participation in the Mass itself. And if you haven't already done so, register for FORMED through the parish website. This has many offerings of items to watch, read, study and listen to that will increase further our spiritual journeys together and individually. If you have difficulty with FORMED ask someone on staff, and we will assist you!

If you have any questions or concerns, do not hesitate to let me know.

Blessings

Linda
