

St Mary's Scrip * Get set for Summertime!

We hope this will get you confidently off on the right foot in setting up an online Scrip account. You'll be glad you did . . . it's easy and makes purchasing Scrip more convenient. You'll be ready for vacation purchases and then back-to-school!

The first step is to create your own family account by clicking on the blue "Join A Program" box at WWW.SHOPWITHSCRIP.COM and follow the simple sign-up instructions.

St Mary's enrollment code you need to enter is: 93BD2CDB5373

- **NOTE:** Please enter your DESIGNATION in the STUDENT LINE (family name for tuition credit "Tom Jones family tuition", not a student name; MMEF/SMS for school; or St Mary's general fund) and your PHONE NUMBER in the CLASSROOM LINE. By doing this, the information we need prints out on your order form when you purchase online. Much easier for processing/bookkeeping if we don't have to look it up every time. Thank you!

The next step is to create your PrestoPay Account. Why do it? GL Scrip center rarely runs out of cards - you are essentially guaranteed to get the items you need. Payment is faster. - if you pay online there is less waiting in the Scrip sales line; grab your pre-packed, pre-paid order & go! We've done the paperwork already. **YOU NEED TO HAVE A PRESTOPAY ACCOUNT SET UP IN ORDER TO TAKE ADVANTAGE OF SCRIPNOW! and RELOADS, AND MYSCRIPWALLET (the program for your mobile devices!.)**

Many retailers offer bonus profit amounts at various times for short periods - when you purchase online with PrestoPay you always get the **HIGHEST** discount amount available. When you purchase from the in-stock box you get only the regular discount amount. It's to your benefit to purchase your cards online.

A new and improved
prestopay™

THIS is just what you've been waiting for! Simpler process! **EASY PEASY!!!** We're so excited that this has finally been streamlined to be more user-friendly. And - just in time for summer.

Great Lakes is simplifying the PrestoPay registration process by removing the approval code step. Families will no longer have to send an approval code to the coordinator to complete the set-up of their account, making it simpler for both coordinators and families. GL has also added advanced monitoring tools that automatically validate all new PrestoPay account registrations.

Instant Family Registration

When signing up for PrestoPay, families will now be able to connect with their personal bank account, allowing ShopWithScrip® to instantly validate their account and routing numbers. The account validation only takes a moment, (instead of 3 days!!!) allowing families to start ordering immediately—no more waiting for two small deposits. In the event that families don't have online banking or prefer to use the current PrestoPay registration method, they will still have the option to do so.

Everyone Benefits

Families can set up PrestoPay in one step and enjoy the convenience of online payment and immediate ScripNow® e-Gift Card delivery. On average, families who actively use PrestoPay to order e-Gift Cards and reload physical cards earn 45% more than families who don't.
