*Church of the Gesu Confirmation 2019-20*

## ***Community Service Verification and Reflection Form***

As an important component of your Confirmation formation, you are required to engage in service-oriented evangelization opportunities provided by our parish community which witness to Gospel justice. After your experience, you are asked to take some time to thoughtfully reflect upon your service experience and compose your responses to specific questions. Although forms are due by the Formation Session on **January 12, 2020**, you may submit forms earlier to Mary von Carlowitz by dropping them off at the parish office or by scanning them to [mvoncarlowitz@churchofthegesu.org](mailto:mvoncarlowitz@churchofthegesu.org). Confirmation candidates should follow the instructions regarding the reflections to the questions listed.

***It is important to remember that evaluation does not mean only looking at the negatives; it includes looking at the positives as well. An evaluation can help you to maximize the wisdom that you take away from your service experience. Reflecting upon the relationships you may have developed/are developing, whether they are enjoyable or challenging, can help you to recognize the ways that you have already changed, and the effects that those changes can have on your way of life as a candidate for Confirmation, away from the service opportunity. Ask your parent/s, Team Leader, service supervisor or even the people that you have served, for their advice or feedback. Their guidance and reassurance can bolster your confidence as a disciple witnessing the Gospel!***

**“Dear young people of the century now beginning, in saying “YES” to Christ, you say “YES” to all your noblest ideals. I pray that He will reign in your hearts and in all of humanity in the new century and the new millennium. Have no fear of entrusting yourselves to Him! He will guide you; He will grant you the strength to follow Him every day and in every situation.”**
