

CHURCH OF THE GESU ADVENT PROGRAM

Advent Journey with St. Ignatius

Advent reminds us of God's dream for the world, in particular, His entering creation and becoming human in Jesus. Deepen your faith in the company of others through Ignatian prayer, scripture, and reflection. Learn how to better cooperate with God's will for you, show praise and gratitude during times of challenge, and experience true freedom and trust. Join us for this special three-week Advent series! There is no required text, but participants are encouraged to have a Bible or online source for scripture reading. Material will be sent prior to each session to allow time for preparation.
