

Gesu will not host a Fair Trade Festival Spring 2021

in McAuley Hall due to the pandemic. We encourage parishioners to mark their calendars and shop at the **Fair Trade Expo** at John Carroll University on October 23, 2021.

Fair Trade

is a system of exchange that honors producers, communities, consumers, and the environment. It is a model for the global economy rooted in people-to-people connections, justice, and sustainability that sets a series of standards to ensure fair wages and human dignity for producers.
