

Help to Light the Way for Christ! Christmas Luminary Sale

Gesu's Catechesis for Adaptive Needs (CAN), with the generous help from members of Gesu's National Junior Honors Society, is selling luminary kits this Christmas. 2020 can certainly use more light, and luminaries are a perfect way to celebrate the birth of the Light of the World! Order your luminary kits now to get prepared to light your pathway for Christ. These will be in demand, so please submit orders early to secure your kit(s).

Each kit contains 10 luminaries to line your drive or walkway for Christmas. All proceeds benefit the wonderful endeavors of these groups.

Submit order forms with payment to: Church of the Gesu Adaptive Needs by November 29. Forms can be turned into Parish or School Office.

Orders will be ready for pick up on December 19 & 20 after Mass, or can be delivered locally for a fee of 1 canned good item that we will donate to OLP.
