Church Traditions & Etiquette

Modern culture is rather casual in its approach to worship and sacred space. In our Church we adhere to long-standing traditions that express the reverence which is due to God, to each other, and to ourselves. Respect for God and His house translates to respect for all of His creation. The following guidelines are customs and traditions of etiquette that we need to be aware of as Catholic faithful. Please read the following information prayerfully and with an understanding for the Church's obligation to shepherd with love and compassion

for all the faithful.

Entering the Church. Arrive on Time - The time to arrive at church is before the service starts. If you arrive after the Divine Liturgy has begun, try to enter the church quietly and at the appropriate moment. We must not be walking in or around the church when the Gospel is being read, when a procession is taking place, or at any time that the priest is facing the congregation.

Fast before the Liturgy. It is a Church law that one fasts for at least 1 hour before receiving Holy Commu-

nion. Water and medicine can be consumed, of course. The purpose is to help us prepare to receive Jesus in the Holy Eucharist. Please be quiet while in church. Once you enter the church – it is not the time or place to visit with those around you. If you must talk - do so as quietly and briefly as possible. Remember that your conversation might be disturbing someone who is in prayer, which is much more important. Sssshhhhh.

Leave quietly. We encourage you to visit with others, but once you are outside of the church you won't disturb others who want to stay and pray. So, please leave quietly and then visit afterward.

Cell phones should never be used in Divine Liturgy for calls or texting. The exceptions are emergencies (big ones, not everyday ones) and if you do use one, please walk out of church to do so. Also, if you are using the phone for readings or prayers, this is appropriate, but try to be discreet.

Proper Church Attire. Church is a sacred place with its traditions. When we come to worship we should respect those traditions. Our clothes should be modest and tasteful. Inappropriate attire such as tight pants, mid-thigh dresses and skirts, low cut blouses can be perceived as disrespectful and could be offensive to other worshipers. Thank you for your consideration.

IT'S VACATION TIME... (BUT NOT FOR CHURCH BILLS)

It's that time of year again...Vacation Time. We take time out of our normal routine for rest and relaxation. Sometimes we stay at home; sometimes we take trips to visit friends, explore new places or go on adventures. We may even forget about our normal routines for a little while.

Unfortunately, our bills and fi-

nancial obligations never take a vacation. This includes our Church's bills, which always seem to INCREASE during summer time. Please, when you prepare to go on vacation, don't forget about YOUR CHURCH! You can always mail in your Sunday Collection envelopes and then can enjoy your vacations.

Rev. Nestor Iwasiw, Pastor

Authority of the Council - Authority of the Church

The authority of the Councils is based also on their ecclesiological grounding. A council is not an independent, autonomous body, additional, coming from outside, acting unilaterally. It is not the product of accidental circumstances in history and imposed afterwards. It is closely, or rather organically, related with the very essence of the Church. This body of Christ is a living organism, destined to grow, to face difficulties during this process, to be implanted in other regions of the world needing inculturalization and a certain adaptation.

Such embodiment and multifaceted ministry creates problems, tensions, even divisions and in spite of the good will of the local bish-

op and pastors, the convocation of a major assembly is considered as a natural instrument, salutary and indispensable.

The official voice of the catholicity and the koinonia of all the other sister churches, in harmony and guided by the Spirit, would only provide the new assessments, possible remedies and solutions. The functioning of such a council was such that the opinions and requests at issue found expression from the very womb of the Church. Once the decision was made, the people had a part in receiving it and publicizing it (Acts 15:22) as is seen in the first assembly of Jerusalem.

Metropolitan Emilianos
