

*Welcome to our Mary Garden, dedicated
to the Ascension family in honor of
Our Blessed Mother, Mary.*

*We have created this space as a place to pray, ponder
and be refreshed, surrounded by God's creation*

Our Blessed Mother does not request or require gifts
from us, only our presence, praying with her.

Please do not leave anything behind.

We request that you do not place anything on her
statue or leave items, including rosaries, candles,
artificial flowers, pamphlets or potted plants. This
will help us to maintain the beauty and simplicity
of the Garden, for all to enjoy.

Please walk on the pathway or stepping stones.

Our Lady of Grace, Pray for Us!
