## Current Restrictions during COVID-19 Pandemic Time

Church occupancy:

**St. Mary's:** 80 - 100 people per service

**All Saints:** 130 - 150 people per service

- Church of the service will open 30 minutes before each Mass
- If you are sick even if, it is not COVID-19, coughing or sneezing, please stay home.
- Please bring your private prayer books or **buy our Book of the Sacred Liturgy** for years ABC
- Ushers will be at the door/s if you need any assistance or have questions
- Omission of the Sign of Peace.
- Holy Water fonts to remain empty and covered.
- Physical distancing (6 ft. minimum) at all times.
- **Opening churches for private prayer**  
Churches and chapels may remain open for private prayer for extended hours at the **discretion of the pastor/administrator**. A cleaning and sanitizing plan should be in place to accommodate this extended opening. Parishes should also be mindful of recent instances of vandalism targeting Catholic churches.  
**In our town: St. Mary's Church will be open on Wednesdays and Sundays until 4pm**
- We ask that those coming to our churches bring their own hand sanitizer if at all possible
- **All members of the congregation need to wear Masks (covering MOUTH & NOSE) and they must put them on prior to leaving their cars,** with a few exceptions: Children under the age of two should not wear masks.
- Collection boxes only. No passing the basket
- **Reception of Holy Communion;** **Effective immediately, Holy Communion may be distributed to the faithful either on the tongue or in the hand.** In both manners, special precautions should be maintained so as to avoid direct physical contact with the communicant. Should that occur, the priest, deacon or extraordinary minister of the Eucharist should immediately stop distributing Holy Communion and sanitize their hands. **Those receiving on the tongue should remove their masks just before approaching to receive and place their mask back on immediately afterwards.**  
Communion will be given at the regular time. Father, Deacon or EM will come to your pew. **Please stand in your pew** if you are in state of grace that allows you to receive Holy Communion.
- Please **leave your kneeler down after Mass**, so we will know which pews were used and must be sanitized before next service
- **Additionally**, the Bishop is extending the dispensation from the obligation to attend Sunday Mass even after we reopen out of an abundance of caution and concern for the most vulnerable who are most susceptible to contract this virus.”
- Office visit - only by appointment.
- **Church is disinfecting after each service** with a chemical product, which kills all viruses and bacteria after being on the surface for 10 minutes.
